On December 21, 2009, Sheriff's Department Vista Station detectives along with the San Diego County Regional Fugitive Task Force arrested Kelley Edward Edley, DOB 02-23-69, for a warrant issued by the San Diego County Superior Court based on charges filed by the District Attorney's Office for violations including two counts of assault with intent to commit rape, two counts of sexual battery and one count of false imprisonment. The warrant stemmed from three separate law enforcement investigations conducted by Sheriff's detectives with both the San Marcos and Vista Stations, and detectives with the Carlsbad Police Department. Vista Sheriff's detectives are continuing the investigation due to the possibility there may be other victims who have not yet reported the crimes to law enforcement.

Due to the nature of the investigation, detectives will not be releasing specifics related to any of the individual cases; however the allegations surrounding Edley include the following: In each case, he held a position of "trust" over the victims, or was a coworker. In two of the three cases the victims were acquainted with Edley either as co-workers at health care facilities or a teacher/student relationship at Kaplan College in Vista. All known victims are adult females ranging in age from 20-35.

Anyone with information about Edley or any information related to the identity of other possible victims should contact Detective Dave Brannan at the Vista Sheriff's Station: 760-940-4551, or contact Crime Stoppers at (888)580-8477.
