William D. Gore, Sheriff

Do you want to make a difference in your community?

The Ramona Sheriff's Substation is currently forming a

Citizen's Advisory Group

The Group will be comprised of interested Ramona citizens representing a broad spectrum of interests. We hope to have individuals from service clubs, religious groups, seniors, younger adults and others taking part.

Regularly scheduled meetings will allow members to discuss law enforcement related issues with your Sheriff's Department. The input will help us determine the community's priorities, enlighten us regarding ongoing problems, and assist in our enforcement efforts. The group will also work to improve communication and cooperation among the citizens of Ramona and your Sheriff's Department.

If interested in taking part, please call Crime Prevention Specialist Barbara Wallace at 760-789-9157 at the Ramona Sheriff's Substation for more information.

We anticipate scheduling the first meeting in January 2010.

A small investment of your time can make a large difference in your community.
