Who Murdered Frank Aaron Bresson?

San Diego County Crime Stoppers and San Diego County Sheriff's Department's Homicide Detail continue to look for leads to help identify and locate the person(s) responsible for the 1995 murder of Frank Bresson.

On August 13, 1995 United States Border Patrol Agents found the body of an unidentified male near Sandia Creek and Rock Mountain Road in the Santa Margarita Creek area of Fallbrook. The victim was shot and killed. After 16 years, the body was identified through DNA as 22-year-old Frank Aaron Bresson.

Frank Bresson, who lived in Riverside, disappeared in mid-August of 1995. Family members found his car abandoned in a Riverside parking lot. The family filed a missing persons report and was waiting on answers for more than a decade. Frank's body was found around the same time he was reported missing. The body was listed as John Doe until a DNA match confirmed his identity in 2010.
