Call for Service (CFS) is a request from a member of the public or another agency for public safety services. Please keep in mind that calls for service do not always equate to a criminal incident resulting in a report or arrest.

Deputy Initiated Action (DIA) results from a deputy's own initiative or observation and does not require a request from the public or another agency. Examples include: traffic stops, field interviews, transports, or other situations observed by the deputy. DIA's do not always equate to a criminal incident resulting in a report or arrest.

Enforcement of the law and the performance of law enforcement duties may require the use of physical force and/or physical restraint. Click [HERE](#) for a list of definitions of force options.

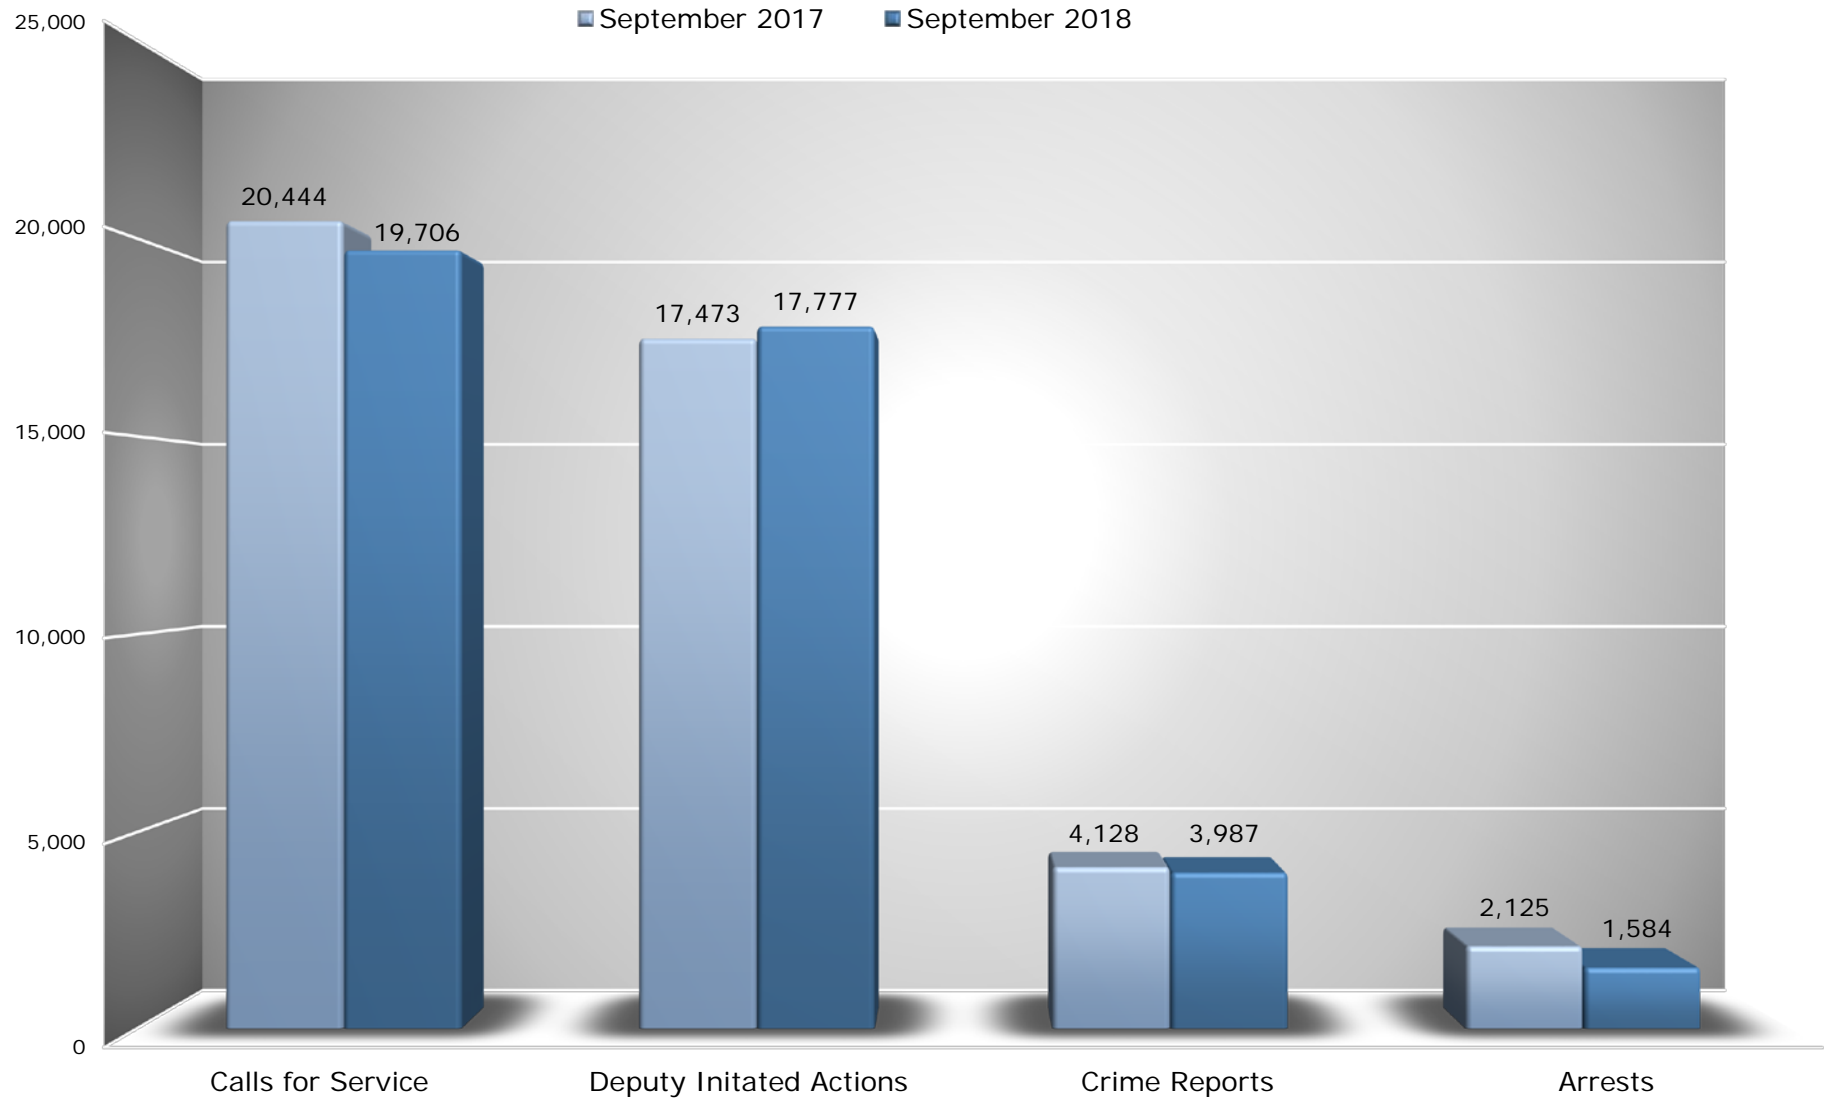

Some reports are still under review; Therefore, not reflected in the totals.
