### Internal Affairs Unit-Statistics

The Internal Affairs Unit receives complaints that are initiated by a member of the community or by the Department. Department initiated investigations are a result of Department personnel alleging a violation of policy or misconduct has been committed by another member of the Department.

The Internal Affairs complaint categories of misconduct are: Unbecoming Conduct, Procedural, and Use of Force.

In those rare instances where the complainant was both the Department and a member of the community, the complainant is listed as the Department.

Internal Affairs **Investigation** dispositions are as follows:

EXONERATED: Allegation is true but actions were lawful.

NOT SUSTAINED: Facts revealed do not substantiate the allegation.

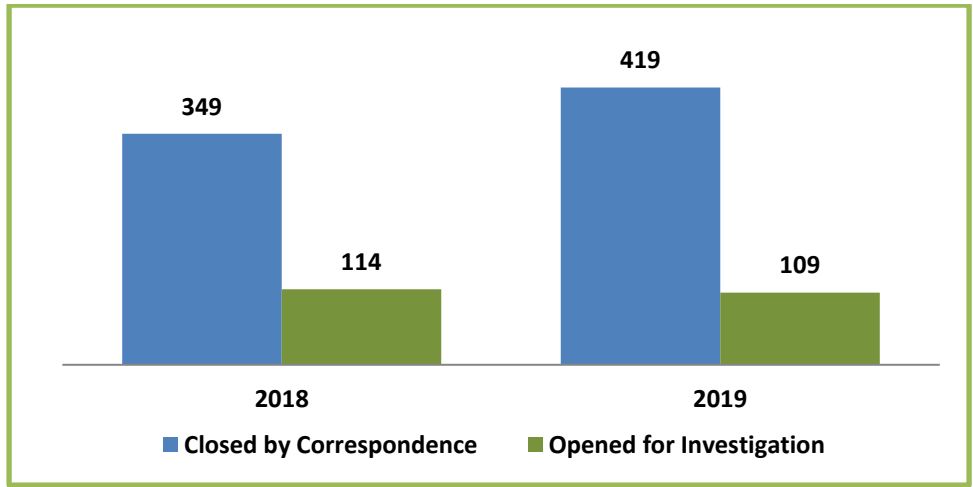

RESOLVED: Case was closed as matter was resolved.

SUSTAINED: A true finding supported by facts.

UNFOUNDED: Not true. Actions alleged did not occur.

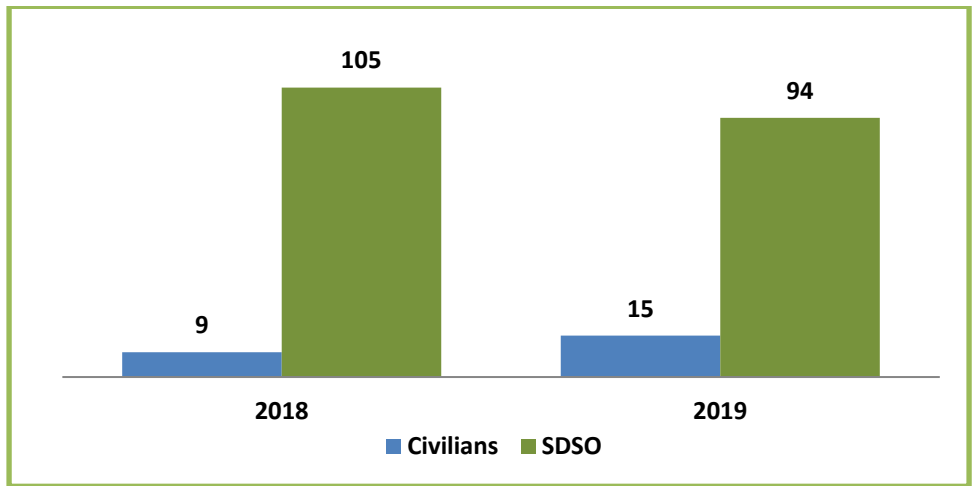

CLOSED BY CORRESPONDENCE: Complaint correspondence letters are written after complete review of the complaint and all related documents, reports, including Body Worn Camera footage, and it is determined the allegation does not require, or justify, an Internal Affairs investigation.
