# SAN DIEGO COUNTY SHERIFF'S DEPARTMENT
## COVID-19 JAIL STATUS REPORT

**Source:** San Diego County Sheriff's Department; Detention Services Bureau

- Data from all seven San Diego County detention facilities are included in this report.
- Tests Administered and Cumulative Positive Cases are based on data collected from March 16, 2020 to report date.
- Active Cases In Custody is the number of inmates currently in custody who are confirmed COVID-19 positive.
- Recovered/Released Cases include inmates with a positive COVID-19 test result who later tested negative and have been cleared by medical personnel while in custody; and inmates with a positive COVID-19 test result who were released from custody either before or after clearance from medical isolation.
- Inmates in Isolation for Precautions are inmates who are being monitored by medical personnel either due to presenting COVID-like symptoms or due to possible exposure.
