DEPARTMENT OF TRANSPORTATION DRUG TESTING

The Department of Transportation now requires all drivers who provide public transportation to be part of a drug and alcohol testing program. This program requires testing at the time of licensing, in case of an auto accident and on a random basis.

**REPORTING** – All result must be approved and signed by a Medical Review Officer. They will report results to Donna Burns at License Division in the Sheriff's Department.

Please do not use Encompass Health Corporation (formerly known as HealthSouth) as they will no longer provide us with the drug test results.
