Additional Comments

Vacation checks for residents are not a requirement by law. Vacation checks have been a long standing practice of the San Diego Sheriff's Department, when time and duties permit. When you are absent from your residence it will be checked by members of your local station's Senior Volunteer Patrol. This request is not intended to provide you with any additional law enforcement services, and deputies will not check your residence unless a problem is noted by the Senior Volunteer Patrol.

We request that you notify us when you return from vacation, or anytime that the home will be occupied again.
